PETITION TO WITHDRAW HOLDING OF ABANDONMENT BASED ON  
FAILURE TO RECEIVE OFFICE ACTION UNDER MPEP 711.03(c) II and 37 C.F.R. §1.181

Technology Center: 1764  
Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Sir:

Applicant has received a Notice of Abandonment dated May 27, 2004 for failure to timely pay the required issue fee and publication fee because the Office has not received the issue fee and the publication fee.

Applicant hereby petitions to withdraw the holding of abandonment for the subject application, on the basis that the Office action forming the basis of the abandonment was not received. The Office action, namely a Notice of Allowance and Fee(s) Due, was not received. A search of the file jacket and the docket records for the subject application in Applicant's office indicates that the Office action was not received. Applicant attaches a copy of the front cover of the file jacket showing the docket record, where the non-received Office action would have been entered had it been received and docketed.

In consideration of these submissions, it is respectfully requested that the holding of abandonment be withdrawn.

Applicant understands that this petition does not require payment of a fee.

Respectfully submitted,

UOP LLC
